EMPLOYMENT HISTORY:

TAKECAREOFMYWEBSITE.COM, KEARNEY, MO – Website Management

February 2010 – Present

- Website updates using HTML and CSS
- Worked with customers on Website design
- Minor SQL Server changes
- Develop content and SEO (Search Engine Optimization) for clients.

GREYSTONE GRAPHICS, KANSAS CITY, KS – Electronic Pre-press Operator

August 1994 – January 2009

- One of three persons hired to set up the electronic pre-press department at Constable-Hodgins Printing Company.
- My position as network administrator included archiving files and networking of the pre-press system.
- Became efficient with the Kodak Brisque workflow after the creation of Greystone Graphics, (a merger of Constable-Hodgins and Vile-Goller Fine Arts).
- Within the Brisque framework, my duties included: working with Preps Imposition Software, using various high-resolution printers, image-setters and direct to plate systems.
- Worked directly with customers to ensure their satisfaction and answer any questions concerning their files.
- Greystone Graphics has sheet-fed and web presses.

THE LOWELL PRESS, KANSAS CITY, MO – 2nd Shift Supervisor

March 1989 – July 1994

- Hired on as a journeyman stripper, advanced to 2nd shift supervisor after 4 weeks.

- Moved into the technical side of pre-press with the joining of electronic pre-press and manual stripping departments.
- Became one of only two people trained on a Kodak Prophecy System (OPI system) in July 1992.
- Worked with electronic photo color correcting, file management, drum scanning and imagesetter calibrations.
- The Lowell Press was a sheet-fed printing plant.

GUNTROP-WARREN, CHICAGO, IL – 4-color Stripper

October 1988 – January 1989

- Hired to supervise the 3rd shift pre-press department.
- Financial troubles that I was not aware of forced bankruptcy after only 3 months.

AMERICAN SIGNATURE GRAPHICS, DALLAS, TX – 4-color Stripper

March 1985 – October 1988

- Made plates and proofs from flatted film. Quality was a must.
- Learned and excelled as a four-color stripper. Duties included flat stripping, checking in furnished flats, combine stripping, film contacting.
- Misomex step and repeat operator. Responsible for the covers of over 20 monthly publications.
- Created film and plates for sheet-fed and web presses.

UNIVERSAL SIGNS, RICHARDSON, TX – Art Department Supervisor

March 1983 – March 1985

- Duties included: sign designs, drafting, silk screening processes, ordering materials, and quality control.
